Accused Jews of ruining Russia, selling children and organs abroad, trafficking Russian women into the foreign sex trade and provoking Holocaust. Z has openly praised Nazism. 11. Objectives: deny refugee status, deported, put on no-entry list.
12. Strategy:
  - a. Congressional letter to State Department opposing refugee status; he is not political but a criminal seeking to avoid prosecution for acts that would be crimes here and anywhere else.

#### Proposal

Goal: Remove Ashot Yegiazaryan from the United States.

#### Strategy

Congressional and media pressure on the Obama administration seeking one or more of the following outcomes:

1. Deny refugee status
2. Put him on the State/Justice departments' Watch List
3. Have him deported
4. Have him voluntarily leave the United States (Not necessarily to Russia because problems there)

#### Role of Bloomfield Associates

1. Develop strategy and tactics for carrying it out.
2. Prepare necessary background materials
3. Draft documents to carry out the strategy
4. Organize a bipartisan Congressional letter to highest level officials of the Obama administration opposing his (reported) request for refugee status, noting he is

not here for political freedom but to escape criminal prosecution for acts that would be crimes in the United States or any other free country.

5. Coordinate and assist in efforts to secure sponsorship, guide follow up, be available to consult on all aspects of the project and provide guidance and aid as needed.
6. Identify Members of Congress and other players who could be most helpful to the project.
7. Develop and define additional initiatives.
8. Seek out others with an interest in furthering this goal

Note to Rinat

1. In light of Ashot's connections to Zhirinovsky, we should look into possible help in the Jewish community.
2. Also give special attention to the Los Angeles area where he should be considered an unwelcome guest.
3. This should take 4-6 weeks, depending on congressional recess schedule and cooperation from those who would be circulating the letters.

Confr call with Peter Zalmayev and RA

1. Have someone active in Russian-Jewish cmtys, in Boston Jewish Advocate
2. AP article. Our case should be based on that. He has problems at home, fled here for sanctuary, has been part of the Putin and Zhirinovsky. Russian billionaire,

how did he amass so much money? Member of Duma is \$60,000 US a year salary. How did he become a billionaire? Where did it come from, where is it? He is not to be trusted. Lies about charity work. He is not a real opposition figure but a criminal trying to use that cloak to escape responsibilities. He has never done or said anything to show he is an opposition figure, only been member of financial backer of ultra-nationalist anti-S party. Was ally of discredited mayor

11. Generate media coverage of this matter
12. Get some MC's to pick up on it. Raise it with State, Homeland Security, why is he allowed to be in US?

2/25/11 note from PZ

The criminal case against AE was opened on November 6, 2010. Among the charges are: defrauding his business partner, Mr. Smagin, of 20 % of stocks in the Evropark company (total \$35 mil), as well as defrauding another, Mr. Ananiev, of \$18 mil. It's only after these charges were filed, that Egiazaryan went public with his claims of having had his allegedly \$2-billion stake in the Hotel Moskva reconstruction project taken away. This has nothing to do with the criminal case against him and is an outright lie.

We do not want to dwell on all the details of the case though, Doug. The point is and must stay simple: he is wanted for fraud. End of story. Then we talk about anti-Semitism, etc.

2/25/11

Mark Levin, NCSJ. Told him about the case and he offered to go to State and to NSC to raise the issue at previously scheduled meetings. His president is a Russian émigré and should be interested in the topic, he said. He found the Zhirinovsky connection particularly compelling. Sent him the talking points. Reported this to PZ and RA.

I sent him the talking points; at PZ request I subsequently asked him to also send a letter to Hillary Clinton and/or Janet Napolitano.
